

## ESVA's Walk/Bike Event Review Program Listing (4 pages)

The following seasonal and year round events have **NOT** been reviewed under the ESVA's walk/bike review program. In addition, any events listed below that have asterisks (\*\*) are priorities for review because they are either new events or they have recently been changed significantly. Remember that you can not review your own club's events. If you see a walk/bike event here that you like, go walk/bike it and then please fill out the review form that is on the ESVA.online website under the "For Clubs" tab. Thanks to all who have contributed to the program.
