

ESVA's Walk/Bike Event Review Program Listing (3 pages)

These seasonal and year round events have **NOT** been reviewed under the program. Events listed below that have asterisks (**) are priorities for review because they are either new events or they have recently been changed significantly. If you see a walk/bike event on this list that you like, go walk/bike it and then please fill out the electronic review form that is on the ESVA.online website under the "For Clubs" tab. There is also a copy of the eval form you can download to make a paper copy and mail if you wish. **Remember that you cannot review your own club's events.**

Thanks to all who have contributed to the program. Last update: 8/19/2019.
