

ESVA's Walk/Bike Event Review Program Listing (3 pages) These seasonal and year-round events have **NOT** yet been reviewed under the program. Events listed below that have asterisks (**) are priorities for review because they are either new events this year or they have recently been changed significantly. If you see a walk/bike event on this list that you like, go walk/bike it and then please fill out the two page electronic review form on the ESVA.online website under the "ESVA YRE Review" tab. There is also a copy of the eval form you can download to make a paper copy and mail if you wish. Remember that you cannot review your own club's events. Thanks to all who have contributed to the program. Last update: 11/01/2020.
