Please notice the bridge crossing the river. This was the first bridge to carry a state highway across the Columbia River in 1908. It was used by autos, wagons, and pedestrians, but no railroads. It had two irrigation pipelines on its side which carried irrigation water. The bridge is now a pedestrian bridge that connects Douglas and Chelan counties.

Follow 11th to Baker Street where you will cross the street, turn left and continue on Baker to 15th and turn right.

Continue ^{on} 15th Street to Eastmont Avenue

Turn right on Eastmont Avenue and proceed to 5th Street and turn right

Follow 5th Street to Baker Street (behind Wenatchee Valley Mall) to 9th Street

On 9th Street turn left and continue back to the 4-Way Stop intersection

Congratulations, you have completed another 5k walk; we hope you enjoyed the walk and will enjoy our other walks and bike.
