

FISH LAKE WALK

Start in front of the Lake Wenatchee Recreation Club.

Cross field at end of airstrip going to opening in upper right.

Cross the dirt road to the power line and turn left.

Walk up the power line to campsite and turn right. Look for pink ribbon with black dots.

Stay on this trail/dirt road until you come to a barrier at a bridge.

Go over the barrier and continue until you come to a paved road.

Note: Do not take the first road to the left but continue to road ahead.

Turn left. As you walk you will pass Alpine Tracts Housing on your left. Continue on the paved road towards Trinity. Turn LEFT on dirt road into the woods marked with pink/black dot ribbon. Follow this road around, the lake will be on your left.

Pass the Cascade Hideaway store and continue on the gravel road.

Continue on this road for until you see a pink/black dot ribbon to turn left on a trail into the woods. Follow the pink/black dot ribbons on this trail which will lead you back to the airstrip. Walk along the ^{Right} left side of the airstrip, not on it, and continue until you are back to the Lake Wenatchee Club building.

12 km.
