

**BAVARIAN VOLKSSPORT ASSOCIATION
LOWER IRON GOAT 10k WALK**
Challenges: County, King, Nature, Mts., Trails;

Please
Recycle

Driving directions: From Skykomish go east 6 miles to milepost 55. Turn north on the Old Cascade Highway, US Forest Service Road #67. Proceed to the junction with USFS #6710 (2.3 miles from milepost 55). Turn onto USFS Road #6710 and proceed 1.4 miles to the Martin Creek trailhead parking lot.

1. At the information Sign, go right on the board walk, at the Y #1716 (1.2k) go left up the Trail. Continue on the trail.

#1715 (2.8k) Start of cement wall of the snowshed. Continue on the trail to Windy Point.

2. At Windy Point, (there is a outdoor toilet) enjoy the view and find the new RR tunnel at Scenic. **CHECK POINT:** Who was President when the tunnel was completed?

3. Return on trail to Corea Crossover to lower grade it's before mile post #1716

4. Hope you enjoyed the walk and learned a lot about the early Railroad.

Please stay on the trail, out of the tunnels and off the rotting timbers for your safety.
Thanks to the Volunteers and the USDA Forest Service.
