

BVP RESENTS UPPER IRON GOAT 10K WALK (WELLINGTON TRAIL HEAD)

Challenges: Country, King; Nature, Mts., trail;

Driving directions: From Leavenworth: Go west on Hwy 2, travel to the summit of Stevens Pass milepost #64.4 just past the summit. Turn right on Old Stevens Pass Hwy. Go North about 2.8 miles to junction of USFS Road 050. Turn right and proceed to Wellington trailhead parking lot. A parking fee is required. \$5
From Seattle: Go East on Hwy 2 to Summit of Stevens Pass and turn around and go west on Hwy2 (because of limited sight distant) milepost post 64.4 Turn right on Old Stevens Pass Hwy. Go North about 2.8 miles to junction of USFS Road 050. Turn right and proceed to Wellington trailhead parking lot.

1. At Information sign, go left on paved trail past Restrooms on right. Continue on gravel trail to "Coal Tower" sign (mp1710.84). Turn right on upper trail to "Motor Shed" sign and return to main trail. Go right and continue to tunnel.
2. CHECK POINT: How long was the 1st Cascade Tunnel? __ (put answer on envelope)
3. Return to parking lot, just before gravel trail ends, go up the rock steps on right, cross road to sign in center area of parking lot and read Tye Depot sign. Continue on around the center of the parking lot and return to Information sign.
4. Turn right onto Iron Goat Trail to Windy Point. When you see a view point area or tunnel area on the trail please take it and read about the railroad.
5. At Windy Point, (there is a outdoor toilet) enjoy the view and find the new RR tunnel at Scenic.
6. Check Point: How long is the today's Cascade tunnel, from Scenic to Berne? _____ Put on envelope.
7. Turn around and return to Wellington trail head.
8. Hope you learned something about the early railroads and enjoyed the walk.

Please stay on the trail, out of tunnels and off rotting timbers for your safety. Take nothing but pictures; leave nothing but footprints. Thanks to the Volunteers and USDA Forest Service.
