

**DIRECTIONS - GREENWAY "SEASONAL" BIKE EVENT**

1. The bike event starts behind the Rio Mirada. Exit the Rio Mirada and start your biking event on the Greenway paved trail behind the motel. Turn left on the pathway and proceed in a northwesterly direction.
2. Restroom is available on your right at Rotary Lake parking area. Continue to follow pathway north. Proceed under the two bridges and stay on pathway to the right along metal railing. Pass Berglund Lake and circle to the left.
3. Proceed ahead off the pathway. Turn right and through overpass, turning left on 6th Avenue. Continue 1/2 mile to River Road on right. **CHECKPOINT AHEAD.**

On the left side of intersection of 6th Ave. and River Rd. is a grey building; on a sign is the number "1123." What is the color on this sign? (Write answer in Box 1 on front of Start Card.)

4. Turn around, return to pathway. Pass Berglund and Rotary Lakes, through parking area, past Rio Mirada, and under bridge. Stay on the main pathway with the Yakima River on your left. You are now in Sarge Hubbard Park. Stay on the main path; however, there are restrooms and water available to your right.
5. Continue south on the main pathway to Sherman Park. This will lead to the newer section of the Greenway. Proceed under bridge and continue on pathway to the end. **CHECKPOINT AHEAD.**

At the end of the pathway there are restrooms and park benches. What color are these benches? (Write answer in Box 2 on front of Start Card.)

Turn around and return on pathway. Continue north, retracing your route along the Greenway back to the Rio Mirada Motel.

Please leave your Start Card in the file box at the lobby desk and obtain your Credit stamp and/or "B" award.

We hope you enjoyed biking the Greenway and will participate in our other walk events--brochures are in the file box. Thanks for coming!
