

Yak. Greenway

1. Exit Goody's Restaurant, turning left through parking area to sidewalk along River Road.
2. Turn right, walk to corner and turn right again, along sidewalk on 40th Avenue. Follow sidewalk to Fruitvale; cross at stoplight.
3. Turn right, walk along shoulder of Fruitvale.
4. Turn left at 4th driveway on your left (large sign with BOATS and arrow pointing to left). Cross over railroad tracks and follow paved road toward entrance to Greenway parking lot. Cross straight through parking area to pathway to Myron Lake.
5. Turn left onto paved trail, following around half of Myron Lake.
6. Continue straight on pathway (do not turn right at junction around lake). Pathway follows hiway 12 on your left and bypasses Willow Lake and Lake Aspen on your right.
7. At end of pathway, follow trail up the hill to 16th Avenue.
8. Turn left on 16th, crossing overpass. CAUTION - vehicle traffic does not stop on exit ramp onto 16th Avenue—use extreme caution and watch for cars!
9. After crossing over hiway 12, turn right onto continuation of pathway along Naches River. (comfort station at this point)
10. Follow pathway as it winds around Naches River, under two train trestles, up to junction at Berglund Lake. CHECKPOINT AHEAD.
11. On your left are two wood signs facing the lake. On first sign is printed the family who funded this section of the pathway. ON FRONT OF START CARD, WRITE DOWN THIS FAMILY NAME.
12. Turn around at this point and return to Goody's Restaurant, retracing your way over 16th Avenue, turning right down the hill and along the lakes.
13. When approaching Myron Lake, turn left at the junction of the trail, following along the left side of the lake.
14. Cross Fruitvale at the stoplight at 40th, and continue to Goody's.

Please take a moment to thank the restaurant staff for allowing the volkwalkers to use their place of business. If you enjoyed the walk, please tell others. If you experienced any problems, please tell us!
