

ESVA's Walk/Bike Event Review Program Listing (5 pages) These seasonal and year-round events have **NOT** yet been reviewed or are due for another review under the program. Events listed below that have asterisks (**) are priorities for review because they are either new events this year or they have recently been changed significantly. If you see a walk/bike event on this list that you like, go walk/bike it and then please fill out the two-page electronic review form on the ESVA.online website under the "ESVA YRE Review" tab. There is also a copy of the eval form you can download to make a paper copy and mail if you wish. Clubs are now permitted to review their own events if the reviewer was not part of the planning of the seasonal or YRE. Thanks to all who have contributed to the program. Last update: 4/23/23.
